

Ballin' For Peace

2016 SPONSORSHIP PROPOSAL

ABOUT US

Ballin' for Peace - New Social Workers (NSW) is a 501c3 non-profit organization, formed to provide positive recreational activities for youth and adults. We aim to offer workshops, employment opportunities, educational grants, scholarships, health care services, and entertainment programs. We partner with major cities within the U.S. and abroad to bring special activities to various regions.

Our programs have been a great success nation wide, with events ranging from California to Philadelphia. The organization has received favorable reviews from news stations (CNN, ABC, and NBC), national magazines (SLAM & Sports Illustrated), local newspapers, politicians, and the Los Angeles Police Department. In 2009, members of the Ballin' for Peace Organization received a Certificate of Appreciation from Mayor Villaraigosa at Staples Center during a Los Angeles Clippers Game, for their exemplary work. In 2015, members of the Ballin' for Peace organization received a "Hero Among Us" award and Citation from the City Council of Philadelphia during a Philadelphia 76ers home game, Martin Luther King Jr. Weekend.

The centerpiece of our events are celebrity basketball games and showcases, featuring current and former NBA players, streetball legends, influential members of the community, actors, musicians, etc. The games are exceptionally entertaining and draw large crowds to the events. Information is available on education, job training, health care services, and crime prevention/intervention.

Donations/Sponsorships will be used for workshop materials, educational needs, and programs for youth from diverse communities to include all age groups, cultures, and ethnicities. Monies will also secure venues, talent, uniforms and t-shirts for game day activities, etc.

Thank you in advance for your support.

"To The Top" Contest National Tour

Kenn I. Hicks went to high school with Earl "The Goat" Manigault who is a basketball legend who has been featured in many books, magazines and the movie "Rebound" was made about his life story. The Goat was considered the highest jumping basketball player ever and would take quarters off the top of the basketball backboard. For over twenty years we have been sponsoring a contest to see who can go the top of the backboard and join The Goat as a high jumping basketball legend.

It has provided a safe space for the youth to express their creativity and talent. It has provided a safe space for the youth to learn and grow. It has provided a safe space for the youth to have fun. It has provided a safe space for the youth to be part of something bigger than themselves.
